Klor-Foam NP

Chlorinated Alkaline Cleaner

IM 674

Description

This product is a self-foaming, non-phosphated chlorinated alkaline detergent designed to remove greasy, oily, and protein-based soils from equipment surfaces. Its high-foaming formula enhances coverage and contact time, while water conditioning agents and surfactants improve penetration and rinsability for clean, residue-free results.

Where To Use

Removes organic residue from:

- Brewery and beverage systems
- Dairy and food service operations
- Floors, walls and equipment surfaces

Features

- Self-foaming
- Phosphate-free
- Free rinsing

Directions

1. **Wear safety glasses & gloves**
   Usar gafas de seguridad y guantes
2. **Use 2 - 8 oz of product per 1 gallon of water**
   Use 2 - 8 onzas de producto por 1 galón de agua
3. **Apply to surfaces using foamer**
   Aplicar sobre la superficie del equipo con un dispensador de espuma
4. **Wait 10 minutes**
   Esperar de 10 minutos
